ROHs and REACH Compliance Declaration

Company: KSK Precise Motion a.s.

Address: Blanenská 1277/37, 664 34 Kuřim

Products: Ball screws, Trapezoidal screws, Micro ball screws

Date of issue: 1st of November, 2026

KSK Precise Motion, a.s. hereby declares that the products specified above comply with the applicable requirements of the following European Union legislation:

RoHS Directive 2011/65/EU, as amended, including Commission Delegated Directive (EU) 2015/863, on the restriction of the use of certain hazardous substances in electrical and electronic equipment, where applicable to the products concerned.

REACH Regulation (EC) No 1907/2006, as amended, concerning the Registration, Evaluation, Authorization and Restriction of Chemicals.

Based on the available information regarding the material composition of the products and information provided by suppliers, the company confirms that:

- The products comply with the applicable restrictions on hazardous substances under the RoHS Directive, where applicable.
- The products comply with the applicable restrictions on chemical substances under the REACH Regulation.
- Where substances included on the Candidate List of Substances of Very High Concern (SVHC) are present, the applicable obligations are assessed in accordance with the current version of the REACH Regulation, including any relevant communication obligations under Article 33.

This declaration is issued on the basis of available technical documentation, supplier information and any relevant test results obtained.

The company undertakes to monitor relevant changes in the applicable legislation and to update this declaration where necessary.

Place and date of issue: Kuřim, 1st of November, 2026
